

BEZDAN STAINLESS STEEL CABLE LIMITED WARRANTY

Bezdan warrants to the original property owner/purchaser that Bezdan stainless steel cable is free of defect for a period of ten (10) years from the date of receipt. This warranty covers defects in workmanship and materials under normal use, conditions, installation and maintenance in accordance with the product specifications and procedures described in the cable rail installation and maintenance instructions. Read more on proper installation, available on product pages, and [stainless steel care & maintenance](#). Failure to maintain product per Bezdan maintenance instructions will nullify any and all remedies under this warranty. Inspect products regularly for visible damage including wear, elongation and rust. Protect all products from corrosion.

Bezdan stainless steel cable is designed specifically for use with Bezdan Cable rail systems. Using any other cable rail systems with Bezdan Cable will nullify your warranty.

This warranty does not cover materials that have been abused, neglected, modified, altered or changed in any manner or used for anything other than pedestrian guard rails. This warranty does not cover any damage, failure of corrosion resulting from environmental conditions, improper installation, vandalism, insurrection, war or acts of nature. Discoloration and/or surface oxidation is not considered a defect unless material is specifically found to be other than represented.

In the event of a defective product, it is understood that the original property owner/purchaser will immediately discontinue its use and promptly contact our Customer Service team to determine a suitable option to prevent or minimize loss or cost to both parties. Bezdan will not be responsible for labor, direct and indirect expenses required to repair defective or inferior products. We will aim to resolve the situation equitably and efficiently.

In making a claim the material shall be delivered to Bezdan with a written notice of the defect and evidence that the condition or product failure is covered by this warranty. Bezdan reserves the right to review all warranty claims including request for product samples for testing before accepting or rejecting a warranty. Claims must be accompanied with the following documentation:

- Proof of purchase (original or copy of delivery receipt and/or invoice)
- A written notice of the defect
- A photo of the installation
